PROJECT INFORMATION AND GENERAL CONDITION OF CONTRACT

1. CITY PROFILE

Cuttack is the former capital and the second-largest city in the eastern Indian state of Odisha; and headquarters of Cuttack district. The name of the city is an anglicized form of Katak that means The Fort, a reference to the ancient Barabati Fort around which the city initially developed. Cuttack is also known as the Sudama City due to its history of 1000 years and famous silver filigree works. It is also considered as the judicial capital of Odisha as the Odisha High Court is located here, and hosts a large number of trading and business houses in and around the city. Cuttack is also famous for its Durga puja which is an important festival of Odisha and West Bengal. The old part of the city is centered on a split of land between Kathajodi River and Mahanadi River, bounded on the southeast by Old Jagannath Road. The city is a part of the Cuttack Municipal Corporation consisting of 59 wards. Cuttack stretches from Phulnakhara across the Kathajodi in the south to Choudwar in the north across the Birupa River, while in the east it begins at Kandarpur and runs west as far as Naraj. Four rivers including Mahanadi and its tributaries Kathajodi, Kuakhai, Birupa run through the city

2. PROJECT LOCATION

The proposed project is to be developed at Sector-10 (14,000 sq. ft approx.), Cuttack. This area is a planned development by Cuttack Development Authority consisting of residential, commercial, recreational/open space, educational, and health care facilities.

3. PROJECT OBJECTIVE

Cuttack Development Authority (CDA) owns a plot at Sector-10, the plot is intended for Kalyan Mandap along with approved allied facilities to be developed by CDA. This is a prime location for Kalyan Mandap due to its locational advantage, surrounding development & better connectivity. This can be used for different social functions i.e. Marriage ceremony, Receptions, Thread ceremony, meetings & other activities, as there are limited such type of facilities with support infrastructure available in the vicinity.
