SECTION 1: INSTRUCTION TO BIDDERS

1. Introduction

CDA wishes to undertake preparation and implementation of Town Planning Scheme in the Cuttack Development Plan Area. The conventional approach to land acquisition, even for public purpose, has become a time consuming process. Sometimes it leads to unending litigation and encourage speculative tendencies. The acquisition process besides being time consuming also becomes cost prohibitive while on the other hand the owners, whose lands are acquired, feel that they have not been adequately compensated. In the state of

Maharashtra, which is a pioneer in the field of TPS it is implemented under the Maharashtra Regional and Town Planning Act, 1966. In Gujarat, it is implemented under the Gujarat Town Planning and Urban Development Act, 1976.

In this regard, CDA wishes to engage a consultancy firm of repute and who has rich experience in preparation and implementation of Town Planning schemes to implement the Town Planning scheme no. 1/2024 of CDA in Cuttack Development Plan Area (CDPA).

2. Scope of work

Cuttack Development Authority, CDA has identified the site measuring an area of approximately **162 Ac. (approx.)** for implementation of Town Planning Scheme No - 1/2024 which covers the mouza of Ratagarh lenkasahi (Location map attached in **Annexure-1**)

The scope of work for selected firm/ consultant shall include support and assistance in the following activities in Town Planning Scheme which shall include, but not limited to:

- a) Collecting all necessary data from CDA, fixing & delineation of the scheme boundaries; superimposing the CDP vision-2030, proposals and the relevant cadastral map on the scheme area;
- b) Compilation of list of land owners along with their Revenue Plot Numbers and area there under (Original Plots)
- c) Detailed topographic survey of the scheme area (in 1:500 scale).
- d) Preparing layout plans (in scale 1:500) for land in the scheme area carving out Final Plots to be given to land owners, Final Plots to be retained by CDA as Land Bank, keeping necessary provisions for roads, open spaces, public utilities, physical and social infrastructure components as laid down in the Building and Planning Regulations -2018, ODA (P&BS) - 2020, The Odisha Development Authority Act,1982 and Odisha Development Authorities Rules,1983 [all three together The Statutory Provisions], the URDPFI Guidelines and all Applicable Codes and Indian standards,
- e) Area Calculations for Original Plots, Final Plots to be allotted to Land Owners, Final Plots to be retained by CDA as Land Bank and tabulation/mapping of the same.
- f) Analysis of Future urban infrastructure (public utilities, physical and social infrastructure) requirements based on projected population, Identification of projects for urban infrastructure in the scheme area, block cost estimation of the urban infrastructure development and preparation of phasing plan for the same.
- g) Formulation of Implementation strategies and their timelines, strategies to use Value capture finance tools, Assessment of betterment levy and special development controls for the scheme if any
- h) Carrying out assessment of Benefits and Impacts of the scheme.
- i) Assistance to CDA including presentations with State Government for approval and different line departments for pursuing infrastructure data.
- j) Assistance to CDA in obtaining statutory approvals, if any
